The Dorint Hotel Hamburg - Eppendorf is located in the beautiful district of Hamburg Eppendorf. The hotel is a modern and stylish hotel, which was opened in 2011 as a new building in Hamburg. Eppendorf is one of the most chic districts of Hamburg - Art Nouveau buildings, terraced houses and numerous ivy-clad brick villas give it an incomparable flair. Derived from Old German, Eppendorf means "the village by the water".

Right in the middle of this trendy district, right next to the University Medical Center Hamburg-Eppendorf, the Dorint Hotel spoils you with its four-star comfort. Its ideal location between the airport, city center, Congress Center Hamburg and university makes it the perfect starting point for any occasion.
