## Invitation

We have the great pleasure of inviting you to the 2<sup>nd</sup> International Conference on Pediatric Liver Disease in cooperation with ERN - Rare Liver in Hamburg from November 29<sup>th</sup> to 30<sup>th</sup> of 2018.

We want to connect health care professionals engaged in pediatric hepatology, surgery and transplantation to gain insights into the latest diagnosis, treatment and up to date research in pediatric liver disease. A particular focus will be laid on diagnostic and therapeutic tools for optimal management of pediatric liver transplantation, portal hypertension and rare liver diseases.

This interactive and interdisciplinary meeting will take place at Erika Haus on the University campus.

We are looking forward to welcoming you to Hamburg.
