Preliminary Program

## 1<sup>st</sup> International Conference of Pediatric Liver Disease

23<sup>rd</sup> – 24<sup>th</sup>, November 2017

University Medical Center Hamburg-Eppendorf

## Invitation

We have the great pleasure of inviting you to the 1<sup>st</sup> conference on Pediatric Liver Diseases in Hamburg from November 23<sup>rd</sup> to 24<sup>th</sup>, 2017.

We want to connect health care professionals engaged in pediatric hepatology, surgery and transplantation to gain insights into the latest diagnosis, treatment and up to date research in pediatric liver disease. A particular focus will be laid on diagnostic and therapeutic tools for optimal management of pediatric liver transplantation and solid liver tumors of benign and malignant origin.

This interactive and interdisciplinary meeting will take place at our new Childrens' Hospital on the University campus.

We are looking forward to welcome you in Hamburg.
